

eSilicon - BUILD-IT Female Student Scholarship

Education in engineering and technology, key STEM disciplines, play an immensely important role in addressing the challenge of closing the gap between academia and industry, between theory and practice.

The eSilicon - BUILD-IT Female Student Scholarship is sponsored by eSilicon and awarded through the Building University Industry Learning and Development through Innovation and Technology (BUILD-IT) Alliance, implemented by Arizona State University.

This scholarship is open to:

1 Female

Vietnamese students of selected BUILD-IT academic partner institutions who are

2 Completing

a bachelor degree in Electrical Engineering, Electronics and related majors, from **second year to final year** in 2018 - 2019 and

3 Passionate

with drive and ambition in their study of Electrical Engineering, Electronics and related majors, in particular related to circuit design or software development, who show academic excellence with a latest full academic year GPA score of 7.0 or above, English language skills, and the ability to lead others in Vietnam and globally.

Prizes

eSilicon and BUILD-IT will celebrate and recognize up to 6 scholarships this year at the annual STEMCON in Danang. Award recipients receive the following:

- 7,000,000 VND cash award
- Top level winners will be offered an internship or conditional graduate employment with eSilicon Vietnam

Deadline to apply is 03 February, 2019.
